## What's Happening in this Classroom this Month?

This month's theme is Valentine's Day fun and Friend's and Family. We will make a lot of fun arts and crafts that have a high Valentine's day theme, but the kids will have some counting, sorting and fun making them. Also, this month we are starting to introduce the kids to their ABC's. Each week a new let-

ter will be done and a lot of the projects and cooking we do, will be focused on that letter. For sharing on Thursday and Fridays, we are asking that the children bring a sharing item that starts with that weeks letter. This is a great way to reinforce letter phonics and fun at home. Some letters might be

harder than others, but creative and maybe draw a picture together, or bring a book that has some silly creatures in it! This is fun, so please remember to be encouraging and excited about letters! If you need any help, let myself or Teacher Ceroya know and we'll give you some ideas!
